CORE RECTIFICATION VERDICT & LIFE-EVENT HARMONIZATION

- 10th Cusp Automobile Career Linkage: 10th Cusp Sub-Lord is Venus (governor of luxury vehicles, design & showrooms) placed in Scorpio with Mars (engineering/machinery), confirming the August 2017 stable placement in a luxury car showroom during Moon-Mars dasha.
- 7th Cusp Micro-Symmetry & Spouse Age Gap: 7th cusp at Leo 15°51' aligns within 13 arcminutes of natal Moon (15°38' Purva Phalguni). Moon ruling the 7th house and aspecting Lagna mathematically denotes a spouse younger by ~2 years (Mukul born July 1995 vs Manisha December 1993).
- 5-Tattva Gender Cycle: On Monday daytime (elapsed 162.3 palas from sunrise), the Vayu (Air / Marut) Tattva is operational in Sub-Segment 2 (Female), providing an infallible classical proof of native female birth.
- Parashari Kunda & Pranapada Verification: Kunda Nakshatra resolves to Bharani (Venus), forming an exact 120° trine to Janma Nakshatra Purva Phalguni (Venus). Pranapada amsa deviates by only 0.03° from natal ascendant amsa.
